

Health Certificate Form

Instructions

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY:

- Health Certificates must be issued within 10 days of your travel.
 - Health Certificates are valid for 30 days only. If you will be gone longer than 30 days, you will need to book an additional Health Certificate to return with your pet(s).
 - Health Certificates are NOT required if your pet will be traveling in the cabin of the plane on AK. Airlines
 - Health Certificates are NOT required if your travel is within the State of Alaska on AK. Airlines.
 - We do not offer Health Certificates for travel to/from Hawaii. You will need to book with your established veterinarian.
 - If you need more than one Health Certificate, the first pet is \$100 and each additional pet's certificate is \$50. All are to be paid in advance when booking your appointment.
 - If your pet(s) need vaccinations, we can provide those to you at the time of your appointment. Those vaccines will need to be paid to Juneau Animal Rescue at the end of your Health Certificate Appointment.
 - If your pet has a current rabies vaccine, you must provide the Rabies Vaccine Certificate at the time of your appointment or preferably by emailing it ahead of time to office@akjar.org. (Invoices, statements, past health certificates, and receipts are not acceptable).
