

Kennel Technician

Juneau Animal Rescue (JAR)

\$14.00/hr-\$17.00/hr DOE

Juneau Animal Rescue is looking for a dedicated and compassionate Kennel Technician to join our team! As a Kennel Technician, you will play a crucial role in ensuring a safe, clean, and healthy environment for our animals and the people who care for them. This is a hands-on, physically active position that requires a love for animals of all shapes and sizes, as well as an appreciation for working outdoors in all weather conditions year-round.

Key Responsibilities:

- Provide humane handling, care, and enrichment for all shelter animals.
- Maintain cleanliness and sanitation of kennel areas according to JAR protocols.
- Assist with animal feeding, training, and general care.
- Ensure the safety and well-being of animals and staff.
- Follow established procedures for animal handling, confidentiality, and facility maintenance.

Qualifications:

- A passion for animals and a willingness to work with them daily.
- Must be physically active and able to handle tasks that involve bending, lifting, and outdoor work.
- Reliable, compassionate, and open to learning and following JAR's protocols.
- Prior experience with animals is a plus, but not required.

If you're an enthusiastic, hardworking individual who loves animals and wants to make a difference, we'd love to hear from you! Apply today to join the JAR team.

Please submit your resume to Sequoia Miller at sequoia@akjar.org or by bringing or mailing one into 7705 Glacier Hwy. Juneau AK 99801.
